**Re:** Monthly Report - September 2008

---

### **Report Summary:**

Crime data and monthly departmental activity is summarized with a historical perspective.

### **Comparative Data:**

Uniform Crime Index Offenses increased just slightly in September with 282 reported incidents.

### **Report Analysis:**

There were 58 reported assaults, 42 of which were family violence assaults. Furthermore, all of the aggravated assault victims were either family members or acquaintances of the offenders.

Habitation burglaries increased by 9 incidents. Of the 28 burglaries reported, force was used to gain entry in seven homes; ten homes were entered through an open garage door. Entry was gained in four burglary incidents by an unlocked door or window. It is unknown how entry was made in seven homes because there were no signs of forced entry. In addition, there were four attempted burglaries of habitation.

Burglaries of buildings increased by four incidents; 11 of the 18 buildings burglarized were in construction sites.

Burglaries of motor vehicles (BMVs) decreased slightly in September. Of the 51 burglaries reported, twenty-three vehicles were entered by force, twenty were entered through an unlocked door, and it is unknown how entry was made in eight vehicles as they had no signs of forced entry.
